**GLOBAL NOTES AND  
STATEMENT OF LIMITATIONS, METHODOLOGY,  
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES  
OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

---

The Schedules of Assets and Liabilities (collectively, the “Schedules”) and the Statements of Financial Affairs (collectively, the “Statements,” and, together with the Schedules, the “Schedules and Statements”), filed by the above-captioned debtors and debtors in possession (collectively, the “Debtors”) in the United States Bankruptcy Court for the Northern District of Texas (the “Bankruptcy Court”), were prepared, pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “Bankruptcy Code”) and rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), by management of the Debtors, with the assistance of the Debtors’ advisors. The Schedules and Statements are unaudited.

These *Global Notes and Statement of Limitations, Methodology, and Disclaimers Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (these “Global Notes”) are incorporated by reference in, and comprise an integral part of, each of the Debtors’ Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the “Specific Notes” and, together with the Global Notes, the “Notes”). The Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements.

The Schedules and Statements have been signed by Kevin Nystrom, Chief Transformation Officer of the Debtors. In reviewing the Schedules and Statements, Mr. Nystrom relied upon the efforts, statements, and representations of the Debtors’ other personnel and advisors. Mr. Nystrom has not (and could not have) personally verified the accuracy of each such statement and representation, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and respective creditor addresses.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors reserve all of their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that the Schedules and Statements are complete. The Schedules and Statements should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of any of the Debtors or their affiliates. There can be no assurance that such information is complete, and the Schedules and Statement may be subject to revision.

The Debtors and their directors, managers, officers, agents, attorneys, and advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting,

communicating, or delivering the information contained herein or in the Schedules and Statements. In no event shall the Debtors or their directors, managers, officers, agents, attorneys, and advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their directors, managers, officers, agents, attorneys, and advisors are advised of the possibility of such damages.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate; *provided* that the Debtors and their directors, managers, officers, agents, attorneys, and advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or recategorized, except as required by applicable law or order of the Bankruptcy Court.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

### **Global Notes and Overview of Methodology**

1. **Description of the Cases.** On February 5, 2025 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code in the Bankruptcy Court. These chapter 11 cases have been consolidated for procedural purposes only and are being jointly administered pursuant to Bankruptcy Rule 1015(b) [Docket No. 49]. These chapter 11 cases are being jointly administered under Case No. 25-80069 (MVL). The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 21, 2025, the United States Trustee for the Northern District of Texas appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code [Docket No. 125]. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases. Notwithstanding the joint administration of the Debtors’ cases for procedural purposes, each Debtor has filed its own Schedules and Statements.
2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Debtors’ Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements differ from the Global Notes, the Global Notes shall control.
3. **“As Of” Information Date.** To the best of the Debtors’ knowledge and except as otherwise noted herein, the asset information provided herein represents the asset data of the Debtors as of November 30, 2024, and the liability information herein represents the liability data of the Debtors as of the Petition Date. Amounts ultimately realized may vary from net book value (or the applicable value ascribed herein) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein.

In addition, the amounts showing for total liabilities exclude items identified as “unknown,” “disputed,” “contingent,” “unliquidated,” or “undetermined,” and thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

4. **Reservations and Limitations.** Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement, or otherwise modify, the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate but do not undertake any obligation to do so (except to the extent required by applicable law), including the right to amend, supplement, or otherwise modify the Schedules and Statements with respect to any claim description, designation, or Debtor against which the claim is asserted; dispute or otherwise offset or defend against any claim reflected in the Schedules and Statements as to amount, liability, priority, status or classification; subsequently designate any claim as “disputed,” “contingent,” or “unliquidated”; or object to the extent, validity, enforceability, priority, or avoidability of any claim, in each case, regardless of whether such claim is designated in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated.” Any failure to designate a claim in the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such claims or amount is not “disputed,” “contingent,” or “unliquidated.” Listing a claim does not constitute an admission of (a) a liability or (b) amounts due or owed, if any, in each case, by the Debtor against which the claim is listed or against any of the Debtors. Nothing contained in the Schedules and Statements or Global Notes shall constitute a waiver of any of the Debtors’ rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.
- a. **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of the Debtors’ rights to dispute any claim or assert any cause of action or defense against any party.
- b. **Recharacterization.** Notwithstanding that the Debtors have made commercially reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or

unexpired as of the Petition Date and remain executory and unexpired on a postpetition basis.

- c. **Classifications.** Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract or lease on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection, or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors’ assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Court, including, without limitation, the *Interim Order (I) Authorizing the Debtors to Obtain Postpetition Financing Pursuant to Section 364 of the Bankruptcy Code, (II) Authorizing the Use of Cash Collateral Pursuant to Section 363 of the Bankruptcy Code, (III) Granting Adequate Protection to the Prepetition Term Loan Secured Parties Pursuant to Sections 361, 362, 363, and 364 of the Bankruptcy Code, (IV) Granting Liens and Superpriority Claims, (V) Modifying the Automatic Stay, and (VI) Scheduling a Final Hearing* [Docket No. 85], the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor’s claims, the characterization of the structure of any transaction, and any document or instrument related to such creditor’s claims.
- d. **Claims Description.** Any failure to designate a claim in the Schedules and Statements as “contingent,” “unliquidated,” or “disputed” does not constitute an admission by the Debtors that such claim or amount is not “contingent,” “unliquidated,” or “disputed.” The Debtors reserve all of their rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as “contingent,” “unliquidated,” or “disputed.” Moreover, the Debtors reserve all of their rights to amend the Schedules and Statements as necessary and appropriate, including but not limited to, with respect to claim descriptions and designations. Listing a claim does not constitute an admission of liability by the Debtor against whom the claim is listed or by any of the other Debtors.
- e. **Estimates and Assumptions.** To prepare and file the Schedules and Statements in accordance with the deadline ordered by the Bankruptcy Court in these chapter 11 cases, management was required to make reasonable estimates and assumptions that affected the reported amounts of these assets and liabilities, the amount of contingent assets and contingent liabilities, and the reported amounts of revenues and expenses as of the Petition Date. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.
- f. **Fiscal Year.** Each Debtor’s fiscal year ends on December 31. Unless otherwise indicated, all references to “annual,” “annually,” “year,” “years,” or an otherwise

similar length of time are presumed to refer to a period of time ending December 31 of the referenced period or periods.

- g. **Causes of Action.** Despite their commercially reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in the Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment, and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (ii) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law, or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (iii) the right to object to or otherwise contest claims or interests; (iv) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (v) such claims and defenses as fraud, mistake, duress, and usury and any other defenses set forth in section 558 of the Bankruptcy Code; and (vi) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, fraudulent transfer laws, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or causes of action or in any way prejudice or impair the assertion of such claims or causes of action.
- h. **Intellectual Property Rights.** Exclusion of certain intellectual property on the Schedules and Statements shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property on the Schedules and Statements shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner; however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

- i. **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to the individuals and entities whom the Debtors believe would be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Parties listed as “insiders” have been included for informational purposes only, and such information may not be used for the purposes of determining: (a) control of the Debtors; (b) the extent of which any party exercised management responsibilities or functions; (c) corporate decision making authority over the Debtors; (d) whether the Debtors or any such insider could successfully argue that such party is not an “insider” under applicable law, including, without limitation, the Bankruptcy Code and federal securities laws, or with respect to any theories of liability; or (e) any other purpose. Furthermore, certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date. Nevertheless, the Debtors have included such individuals or entities herein out of an abundance of caution, and the Debtors reserve all rights with respect thereto.

## 5. **Methodology.**

- a. **Basis of Presentation.** Information contained in the Schedules and Statements has been derived from the Debtors’ books and records and historical financial statements. For financial reporting purposes, prior to the Petition Date, the Debtors ordinarily prepared consolidated financial statements. These Schedules and Statements do not purport to represent financial statements prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”) or any other generally accepted accounting principles of foreign jurisdictions, as applicable, nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, the Schedules and Statements reflect the assets and liabilities of each separate Debtor, except where otherwise indicated. Accordingly, the totals listed in the Schedules will likely differ, at times materially, from the consolidated financial reports prepared by the Debtors for financial reporting purposes or otherwise.

In addition, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment and reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis. Moreover, given, among other things, the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

- b. **Confidential or Sensitive Information.** There may be instances in which the Debtors deemed it necessary and appropriate to redact certain information due to the nature of an agreement between a Debtor and a third party, concerns about the confidential or commercially sensitive nature of certain information, or concerns for the privacy of an individual. The alterations are limited to only what is necessary to protect the Debtor or third party and are consistent with the relief granted under the Creditor Matrix Order.<sup>2</sup>
- c. **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.
- d. **Umbrella or Master Agreements.** Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate. Additionally, by listing an umbrella or master agreement in these Schedules and Statements, the Debtors make no representation as to the severability of such agreements and their related contracts and leases, including any subleases, and the Debtors reserve any and all rights with respect to any arguments or claims it may have in regard to the severability of such agreements.
- e. **Executory Contracts.** Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

Unless otherwise specified on Schedule G, each executory contract listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly between the parties thereto. The Debtors expressly reserve their rights to challenge whether such related materials constitute an executory contract, a single contract or agreement, or multiple, severable, or separate contracts. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of diligent efforts to identify such documents. In addition, although the Debtors have

---

<sup>2</sup> Order (I) Authorizing the Debtors to (A) File a Consolidated List of Creditors in Lieu of Submitting a Separate Mailing Matrix for Each Debtor, (B) File a Consolidated List of the 30 Largest Unsecured Creditors, (C) Serve Certain Parties in Interest by Email, (D) Redact or Withhold Certain Confidential Information of Customers, and (E) Redact Certain Personally Identifiable Information of Individuals, (II) Approving the Form and Manner of Notifying Creditors of the Commencement of the Debtors' Chapter 11 Cases, and (III) Granting Related Relief [Docket No. 66] (the "Creditor Matrix Order").

made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any claims held by any counterparty to such contract or lease. Certain information, such as the contact information of the counterparty, may not be included where such information could not be obtained using commercially reasonable efforts. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G.

- f. **Unexpired Leases.** The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule E/F.
- g. **Valuation.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values of the Debtors' assets as of November 30, 2024, are reflected on the Schedules and Statements. Exceptions to this include operating cash and certain other assets. Operating cash is presented at bank balances as of close of business February 5, 2025. Certain other assets, such as other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "unknown" or "undetermined," and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Debtors' Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.
- h. **Property and Equipment.** Unless otherwise indicated, owned equipment is stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Schedules and Statements is, or shall be construed as, an admission as to the determination as to the legal status of any lease, including whether any lease is a true lease or a financing arrangement, and the Debtors reserve all of their rights with respect thereto.
- i. **Contingent Assets.** The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors are continuing to review potential causes of action, and accordingly, despite reasonable efforts, may not have

set forth all of their causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have, and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims.

- j. **Undetermined Amounts.** Claim amounts that could not be quantified by the Debtors are scheduled as “Undetermined.” The description of an amount as “Undetermined” is not intended to reflect upon the materiality of such amount.
- k. **Unliquidated Claim.** A claim for which a specific value cannot be calculated using currently available information is “unliquidated.”
- l. **Disputed Claim.** A claim with respect to which the applicable Debtor and the claimant disagree as to the amount owed, whether an amount is owed, the priority of the claim, or otherwise is “disputed.”
- m. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are undetermined amounts, the actual total may be different than the listed total. The description of an amount as “undetermined” is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules and Statements are inclusive of each Debtor’s guarantor obligations.
- n. **Allocation of Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

The liabilities listed on the Schedules and Statements do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor’s claim.

- o. **Paid Claims.** Pursuant to certain orders of the Bankruptcy Court entered in these chapter 11 cases (collectively, the “First Day Orders”), the Debtors were authorized to pay, among other things, certain prepetition claims of employees, lien claimants, HSE suppliers (as defined in the Critical Vendors Order)<sup>3</sup>, critical vendors, claimants under section 503(b)(9) of the Bankruptcy Code, and taxing authorities. Accordingly, these liabilities may have been or may be satisfied in accordance with such First Day Orders. Regardless of whether such claims are

<sup>3</sup> Debtors’ Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Pay Certain Prepetition Claims of (A) Critical Vendors, (B) 503(b)(9) Claimants, (C) Lien Claimants, and (D) HSE Suppliers; and (II) Granting Related Relief [Docket No. 11] (the “Critical Vendors Order”).

listed in the Schedules and Statements, to the extent such claims are paid pursuant to an order of the Bankruptcy Court (including the First Day Orders), the Debtors reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements.

- p. **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Debtors' Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend, supplement, or otherwise modify the Schedules and Statements and take such other actions, including the filing of claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.
- q. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed at the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.
- r. **Intercompany Claims.** The Debtors make payments on account of all transactions through Debtor Zips Car Wash, LLC. There are no tracked intercompany transactions among the Debtor entities. Accordingly, there is nothing reported on Schedule A/B-77. The Debtors reserve all rights to later change the amounts, characterization, classification, categorization, or designation of intercompany accounts reported in the Schedules and Statements.

Because Debtor Zips Car Wash, LLC makes payments on behalf of other Debtors, whether a particular obligation was incurred by the entity actually making the payment is a complex question of applicable non-bankruptcy law, and nothing herein constitutes an admission that any Debtor entity is an obligor with respect to any such payment. The Debtors reserve all rights to reclassify any payment or obligation as attributable to another entity and all rights with respect to the proper accounting and treatment of such payments and liabilities.

- s. **Guarantees and Other Secondary Liability Claims.** The Debtors have exercised commercially reasonable efforts to locate and identify guarantees and other secondary liability claims (collectively, the "Guarantees") of their executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements. Nevertheless, a review of these agreements is ongoing. Where such Guarantees have been identified, they have been included on Schedules D and H, as applicable, for the affected Debtor or Debtors. However, certain Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other such agreements may have been inadvertently omitted. The Debtors may identify additional Guarantees as they continue their review of their books and records and contractual agreements. The Debtors reserve all of their rights, but are not required to amend, supplement, and otherwise modify the Schedules to the extent that additional Guarantees are identified.

- t. **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each claim listed in the Schedules and Statements as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations thereto. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.
  - u. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation, accrued salaries, employee benefit accruals, and accrued accounts payable. The Debtors have also excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected (if any), to the extent such damage claims exist. In addition, the Debtors may have excluded amounts for which the Debtors have been granted authority to pay pursuant to the First Day Orders or other orders that may be entered by the Bankruptcy Court. Certain immaterial assets and liabilities may have been excluded.
  - v. **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, shippers', or similar liens that may attach, or have attached, to such inventories, property, and equipment.
  - w. **Zero Dollar Amounts.** Amounts listed at zero are either \$0, unliquidated, or undetermined.
  - x. **Non-Case Transfers.** All transfers of non-cash property are reported at book value.
  - y. **Currency.** All amounts are reflected in U.S. dollars, which the Company uses as its reporting currency.
  - z. **Setoffs.** The Debtors routinely incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes, including, but not limited to, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, and negotiations and/or other disputes between the Debtors and their customers or vendors. These setoffs and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for and, as such, are or may not be included separately in the Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not aware. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.
6. **Specific Schedules Disclosures.**
- Schedule A/B-3 – Checking, savings, or other financial accounts, CDs, etc.** Schedule A/B-3 lists closing bank balances as February 5, 2025.

**Schedule A/B 11 – Accounts Receivable.** The Debtors’ current value of accounts receivable reflects the receivables balance as of November 30, 2024, netted against an estimate of certain doubtful or uncollectable accounts. The Debtors’ accounts receivables balance excludes any accounts receivables that were written off on the Debtors’ books and records as of November 30, 2024. The Debtors listed only actual accounts receivables as of November 30, 2024, and did not include any amounts that are reflected in the Debtors’ books and records as non-traditional revenue or accrued, unbilled revenue for which payment is in process or is subject to reconciliation.

**Schedule A/B-15 – Stock and interests in incorporated and unincorporated businesses.** See Schedule Exhibit A/B-15 for additional businesses each applicable Debtor was a parent of or owned a significant interest in. Ownership interests in subsidiaries have been listed in an undetermined amount because the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

**Schedule A/B-21 – Finished Goods, including goods held for resale.** The Debtors generally do not sell accessories or other items for resale. Some sites might sell small miscellaneous items, but they are *de minimis* and not tracked within the Debtors’ books and records.

**Schedule A/B-22 – Other inventory or supplies.** The amounts presented may include inventory or supplies that are obsolete or have been used in the ordinary course of business and may not accurately reflect such assets’ value in the marketplace.

**Schedules A/B, Part 10, Items 59-66 – Intangibles and intellectual property.** The Debtors’ patents, trademarks, and other intellectual property rights are listed in undetermined amounts. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from the fair net book value of such intangibles and intellectual property. Exclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property should not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to sale, acquisition or other transaction. The Debtors have used reasonable efforts to attribute intellectual property to the rightful Debtor owner; however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another Debtor. Pending applications for trademark registrations are not included in the Debtors’ response.

**Schedules A/B-74 and 75 – Causes of action against third parties (whether or not a lawsuit has been filed) and other contingent and unliquidated claims or causes of action of every nature, including counterclaims of the debtors and rights to set off claims.** Potential preference actions and/or fraudulent transfer actions were not listed because the Debtors have not completed an analysis of such potential claims. The Debtors are not currently aware of any causes of action or other claims. However, the Debtors’ analysis for such causes of action or other claims remains ongoing. The Debtors’ failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or

right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

**Executory Contracts.** The Debtors have not included such agreements on Schedule A/B. Instead, the Debtors have only listed such agreements on Schedule G.

**Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed or stated pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset for the benefit of a secured creditor listed on a Debtor's Schedule D. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for information purposes, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including without limitation, any intercompany agreement) related to such creditor's claim.

In certain instances, a Debtor may be a co-obligor with respect to scheduled claims of other Debtors. No claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are or may be otherwise satisfied or discharged.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. The Debtors have not included parties that may believe their Claims are secured through setoff rights or inchoate statutory lien rights.

Detailed descriptions of the Debtors' prepetition debt structure and descriptions of collateral relating to the debt contained on Schedule D are contained in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, (B) Grant Senior Secured Priming Liens and Superpriority Administrative Expense Claims, and (C) Utilize Cash Collateral; (II) Granting Adequate Protection to the Prepetition Term Loan Secured Parties; (III) Modifying the Automatic Stay; (VI) Scheduling a Final Hearing; and (V) Granting Related Relief* [Docket No. 22]. The secured debt is jointly and severally the responsibility of multiple Debtors; as such, the liability has been listed on each Debtor who is an obligor or guarantor of such debt. Only the principal amount is listed on Schedule D; however, other amounts might be due to the creditors.

Any description of the creditor's liens or their priority herein is qualified in its entirety by reference to the operative documents, agreements, schedules, any amendments and exhibits to the preceding and any documents evidencing perfection of such lien. The Debtor is taking

no position on the extent or priority of a particular creditor's lien in the Schedules and Statements.

The Debtors have indicated that multiple creditors have an interest in the same property when, among other things, inchoate statutory liens may exist with respect to such property. The Debtors take no position in these Schedules and Statements regarding the validity of any such liens or the extent or validity of a particular creditor's lien, including other creditors listed in Schedule D, and the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected on any such property.

#### **Schedule E/F – Creditors Who Hold Unsecured Claims.**

***Part 1 – Creditors with Priority Unsecured Claims.*** The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and the priority status of any claim on any basis at any time. Certain of such claims, however, may be subject to ongoing audits and the Debtors are otherwise unable to determine with certainty the amount of many, if not all, of the remaining claims listed on Schedule E/F. Accordingly, the Debtors have listed all such claims unknown in amounts, pending final resolution of ongoing audits or other outstanding issues.

Pursuant to the *Interim Order (I) Authorizing the Payment of Certain Prepetition and Postpetition Taxes and Fees and (II) Granting Related Relief* [Docket No. 56] (the “Taxes Interim Order”), the Debtors have been granted the authority to pay certain tax liabilities that accrued prepetition. Accordingly, unsecured priority tax claims may have been paid or may be paid pursuant to the Taxes Interim Order or pursuant to further Bankruptcy Court order. Therefore, the Debtors have listed certain taxing authorities with an undetermined amount.

Taxing authorities have been listed on the specific Debtors' Schedules to align with the taxing schedule presented as part of the Debtors' *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Payment of Certain Prepetition and Postpetition Taxes and Fees and (II) Granting Related Relief* [Docket No. 8] and based on the Debtors' books and records.

***Part 2 – Creditors with Nonpriority Unsecured Claims.*** The liabilities identified on Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

The Schedules generally attribute liabilities as reflected on the Debtors' books and records. In instances where it is unknown which Debtor a liability is asserted for, the Debtors have included the corresponding liability under Zips Car Wash, LLC.

Pursuant to the First Day Orders, the Debtors received authority to pay certain prepetition claims. Accordingly, no undisputed prepetition unsecured claims of non-insiders that have

been paid pursuant to the First Day Orders or pursuant to further Bankruptcy Court order have been listed on Schedule E/F, Part 2. Listing a claim or failure to list a claim on Schedule E/F, Part 2 that is subject to payment pursuant to the First Day Orders does not serve as an admission by the Debtors as to the validity of such claim or as to the status of payment of such claim. The Debtors expect that certain claimants may continue to receive payments for prepetition amounts paid pursuant to authority granted by the Bankruptcy Court on or after the Petition Date. The Debtors reserve all of their rights with respect to such payments, including the right to amend, supplement, or otherwise modify Schedule E/F, Part 2, to reflect such payments.

Schedule E/F, Part 2 and Statements, Part 3, Question 7, contain information regarding pending litigation and administrative agency proceedings, and exclude any threatened litigation or consumer complaints. In certain instances, the Debtor that is the subject of the litigation may be unclear or undetermined. To the extent that litigation involving a particular Debtor has been identified, such information is contained in the Schedule for that Debtor. The Schedules do not contain specific details of every litigation, such as the names and addresses of each party to a given litigation. Additionally, to the extent the identification of contingent co-defendants is unknown or unclear, the Debtors have listed only the underlying litigation or arbitration. The amounts for these potential claims are listed as “undetermined” and are marked as contingent, unliquidated, and disputed in the Schedules and Statements.

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in whole or in part in connection with the assumption or assumption and assignment, if applicable, of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts or unexpired leases, if any, that may be or have been rejected in these chapter 11 cases.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors’ estates, the Debtors have not listed a specific date or dates for such claim.

As of the time of filing of the Schedules and Statements, the Debtors may not have received all invoices for payables, expenses, and other liabilities that may have accrued prior to the Petition Date. Accordingly, the information contained on Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D and E/F if and as they receive such invoices.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtors’ books and records as required in accordance with U.S. GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtors have made every effort to include as contingent, unliquidated, or disputed the claim of any vendor not included on the Debtors’ open accounts payable that is associated with an account that has an accrual or receipt not invoiced.

**Schedule G – Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, and unintended duplication or overinclusion of items may have occurred.

Listing a contract, lease, or agreement on Schedule G does not constitute an admission that such contract, lease, or agreement is an executory contract or unexpired lease or that such contract, lease, or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all their rights, claims and causes of action with respect to the contracts, leases, or agreements on Schedule G, including the right to dispute the validity, status, or enforceability of, or otherwise modify any contracts, leases, or agreements set forth on Schedule G and to amend, supplement, or otherwise modify Schedule G as necessary, at any time, to remove any contracts, leases, or agreements.

Certain contracts, leases, and agreements listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of business, such as supplemental agreements and letter agreements, which agreements may not be set forth on Schedule G. The Debtors reserve all of their rights to amend, supplement, or otherwise modify Schedule G to the extent that additional information regarding such agreements becomes available. Certain executory contracts or unexpired leases may not have been memorialized and could be subject to dispute. Any executory contracts or unexpired leases that have not been reduced to writing are not included on Schedule G.

Certain of the contracts, leases, and agreements listed on Schedule G may consist of several parts, including, without limitation, purchase orders, amendments, restatements, waivers, letters, and other documents that may not be identified in Schedule G or that may be listed as a single entry. The Debtors expressly reserve their rights to determine or challenge whether such documents constitute an executory contract or unexpired lease, a single contract, agreement, or lease, or multiple, severable, or separate contracts, agreements, or leases.

The contracts, leases, and agreements identified in Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of commercially reasonable efforts to identify such documents.

Unless otherwise specified in Schedule G, each executory contract or unexpired lease identified therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed therein. In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

The Debtors may be party to certain confidentiality agreements which may constitute executory contracts. In order to not breach any such confidentiality agreements, the Debtors have not listed such confidentiality agreements in Schedule G. Such agreements may be provided upon request to the Debtors' counsel.

Omission of a contract, lease, or agreement from Schedule G does not constitute an admission that such omitted contract, lease, or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts, leases, or agreements are not impaired by any such omission.

Certain Debtors are guarantors and parties to guaranty agreements regarding the Debtors' prepetition credit facility. The guaranty obligations arising under these agreements are reflected in Schedule D only and are not listed on Schedule G.

The Debtors are party to a large number of membership agreements between the Debtors and their customers, which may constitute executory contracts. Given the volume of the membership agreements, as well as privacy concerns with respect to sharing customer information, such agreements have not been included in Schedule G. For the avoidance of doubt, the absence of the membership agreements from Schedule G is not intended to impair the rights of either party under each membership agreement.

**Schedule H – Co-Debtors.** For purposes of Schedule H, the Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, debt instruments, and other agreements. Thus, the Debtors reserve their rights to amend Schedule H to the extent that additional guarantees are identified, or such guarantees are discovered to have expired or become unenforceable. The disclosure of a guarantee relationship in Schedule H does not constitute an admission by the Debtors as to the effectiveness or enforceability of such guarantee.

In the ordinary course of businesses, the Debtors may become subject to pending or threatened litigation and claims arising out of the conduct of their businesses. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counterclaims against other parties. The Debtors have not listed any litigation-related co-Debtors in Schedule H. Instead, all such listings to the extent known to the Debtors are listed on Schedule E/F.

7. **Specific Statements Disclosures.**

**Statements, Part 1, Question 1 – Gross revenue from business.** Revenue for fiscal year 2024 is as of December 31, 2024, and is unaudited. As such, the revenue figure could be subject to material adjustments.

**Statements, Part 1, Question 2 – Non-business revenue.** Non-business revenue for fiscal year 2024 is as of December 31, 2024, and includes such items as interest income, rental income on owned and leased property, gain on disposition, and gain on property sales.

**Statements, Part 2, Question 3 – Certain payments or transfers to creditors within 90 days before filing this case.** Prior to the Petition Date, the Debtors maintained a centralized

cash management system through which certain Debtors made payments on behalf of certain Debtor affiliates, as further explained in the Debtors' *Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to Continue to (A) Operate Their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, and (C) Maintain Existing Business Forms and (II) Granting Related Relief* [Docket No. 13].

Payments to insiders made in the ninety-day period before filing (and disclosed as part of the one-year period response to Statements, Part 2, Question 4) and payments related to bankruptcy in the ninety-day period before filing (and disclosed as part of the one-year period response to Statements, Part 6, Question 11) are not included in the response to Statements, Part 2, Question 3 – ninety-day payments. As such, there is no overlap or duplication between or among the data presented in response to these disclosures.

Disbursements made on account of multiple invoices may be reflected as a single payment on Statements, Part 2, Question 3.

**Statements, Part 2, Question 4 – Payments or other transfers of property made within 1 year before filing this case that benefited any insider.** The listing of any individual or entity as an insider does not constitute an admission or a final determination that any such individual or entity is or is not an insider. Certain directors and executive officers are directors and executive officers of multiple Debtor entities.

In the ordinary course of business, the Debtors reimburse reasonable expenses incurred by insiders, whether such expenses are incurred on a corporate card or an insider's personal card. The majority of expenses incurred by insiders on these cards are business-related expenses, including products purchased on behalf of the Debtors, business-related travel, and business event accommodations. In some instances, one insider may incur expenses on account of multiple individuals, such as booking lodging for multiple employees. Certain non-insider employees may also incur such business-related expenses on corporate cards. Although the Debtors have endeavored to only list payments made on account of insiders, certain payments may reflect reimbursement of expenses incurred by non-insider employees.

**Statements, Part 2, Question 6 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to section 5(v) of the Global Notes.

**Statements, Part 2, Question 7 – Legal Actions or Assignments.** The Debtors have made reasonable best efforts to identify all current pending litigation and administrative actions involving the Debtors.

**Statements, Part 4, Question 9 – Gifts.** With respect to the donation to non-profit organization Folds of Honor in the amount of \$92,052.67, specifically \$69,872 was the turnover of customer donations collected by the Debtors for the charity.

**Statements, Part 5, Question 10 – Certain losses.** The Debtors occasionally incur losses for a variety of reasons, including incidental property damage. The Debtors, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtors' businesses or are not reported for insurance purposes.

**Statements, Part 6, Question 11 – Payments related to bankruptcy.** All payments for services of any entities that provided consultation concerning restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date are listed on Zips Car Wash, LLC's response to Statement 11. Payments related to the bankruptcy are reflected on the Statement of the Debtor entity that made the payment but are for the benefit of all Debtors. In addition to payments to professionals that will be retained by the Debtors, the Debtors included payments to certain professionals that are no longer retained by the Debtors and will not be seeing retention in these chapter 11 cases. Additional information regarding the Debtors' retention of professional service firms will be described more fully in individual retention applications.

**Statements, Part 7, Question 14 – Previous Addresses.** The Debtors occasionally close or move car wash locations in the ordinary course of business. Given the number of locations that the Debtors operate, the Debtors have not listed formerly leased or owned car wash locations that closed prior to the Petition Date.

**Statements, Part 11, Question 21 – Property held for another.** As part of their relationship with multiple Sonny's Car Wash Services entities (collectively, "Sonny's"), at certain car wash locations the Debtors store various car wash tunnel chemicals and other equipment / supplies. In the ordinary course of business, the Debtors use these chemicals, equipment, and supplies. Ownership of such chemicals, equipment, and supplies is considered transferred from Sonny's to the Debtors at the time of use.

**Statements, Part 13, Question 26d – Books, records, and financial statements.** The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, landlords, and financial advisors, with financial statements. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties.

**Statements, Part 13, Question 28 – Officers and Directors.** The Debtors' response reflects director and officer status as of the Petition Date and does not reflect any changes to the Debtors' directors and officers following that date.

The Debtors have made commercially reasonable efforts to ascertain the positions and appointment dates of officers and directors. The Debtors acknowledge the possibility that related information may be discovered subsequent to the filing of the Schedules and Statements. The Debtors reserve the right to supplement or amend this response in the future if additional information becomes available.

Kevin Nystrom is included in the response to Statements, Part 13, Question 28 in his capacity as Chief Transformation Officer of the Debtors. Payments made to AP Services, LLC in the one year prior to filing, including any amounts related to his appointment as Chief Transformation Officer, are included in the response to Statements, Part 6, Question 11.

**Statements, Part 13, Question 29 – Previous Officers and Directors.** The Debtors have made commercially reasonable efforts to ascertain the positions of previous officers and directors and the period during which said positions were held.

**Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Please refer to Statements, Part 2, Question 4 regarding all payments to insiders.
